

Praying & Caring for our Neighbourhoods – Street by Street

OUR VISION

1000+ Christians united in prayer and care for their neighbourhoods in and around the Weston-super-Mare area. Wouldn't it be amazing if every street in our community had someone who was committed to praying for it and making it a better place? Think of the impact that would have!

LOVE WESTON is inviting individuals, families, small groups, churches and Christians across the town and surrounding villages to help make that a reality by adopting a street each to pray and care for.
